

What To Know

FLORIDA LAW

5 Laws to Know when Living in or Visiting Florida

- **Divorce.** To begin the divorce process, you need to be a resident of the state for at least six months.
- **Gambling laws.** Florida allows tribal gaming.
- **Comparative fault for injuries.** In Florida, you pay only for the percentage of the harm that you're found responsible for.
- **Statutes of limitation.** You'll have a maximum of four years to sue under Florida's laws.
- **Will requirements.** Florida doesn't recognize handwritten wills. If you want a living will, you'll need witnesses, at least one of them being a non-spouse and non-blood relative.
